

# 8-Hour DOT Hazardous Materials Transportation Course

## Course Director/Instructors

*John M. Fernandez, CIH, CSP, CMC - Industrial Hygiene Professionals, Inc. (Course Director/Instructor)*

*Jim J. Brandt, CSP, CHST, CET - Industrial Hygiene Professionals, Inc. (Instructor)*

## Benefits

*This intensive 8-hour course is designed to provide the federally mandated training to those who deal with all phases of hazardous materials or hazardous waste in transportation. It will provide the information necessary to properly prepare and handle these materials during transportation. In addition to lectures, video presentations, and discussions, students will participate in a hands-on document preparation workshop. This course complies with the training requirements of 49 CFR 172.700 - 172.704.*

## Who Should Attend

*This course is designed for employees, or supervisors of employees who: handle, load or unload hazardous materials; prepare hazardous materials for transportation; are responsible for transporting hazardous materials; or operate a vehicle used to transport hazardous materials.*

## Selected Course Topics

- ❖ *Hazard Classification*
- ❖ *Shipping Containers*
- ❖ *Labeling, Marking and Placarding Requirements*
- ❖ *Shipping Papers*
- ❖ *Cargo Preparation*
