

Veterans of Foreign Wars Auxiliary
 Department of Wisconsin
 Hospital Bulletin December/January 2019

President Laurel Ann and I have completed the Hospital Visits. The VFW, MOC and the MOCA joined us as we met with the staff, and toured each facility. What great work and care they show our Veterans and their families.

Thank you to our Representatives and Deputies for the love, and time they share with our Veterans and their families, we truly appreciate all you do.

Has your Auxiliary sent your Hospital Program Annual Donation and Hospital Projects Donation to our Treasurer, if not please do so now. Our Reps and Deps have many events planned for the Holidays at their facility, let's make sure to make it special for our Veterans and their families.

Mid-Winter Wish List

We will be collecting items for VA Medical Centers and Wisconsin Veterans Homes at our Mid-Winter Conference. The Reps and Deps will pick out up what is needed at their facility. I have been told Dollar Tree where everything is \$1.00 is a great place to start. Check our web-site for lists, but here are a few ideas.
