Zenier's Sales & Service

(*) in-kind

(**) pledged

In 2016, for every \$1.00 of operating expense we raised \$11.00 for capital improvements.

Funding Use & Allocation

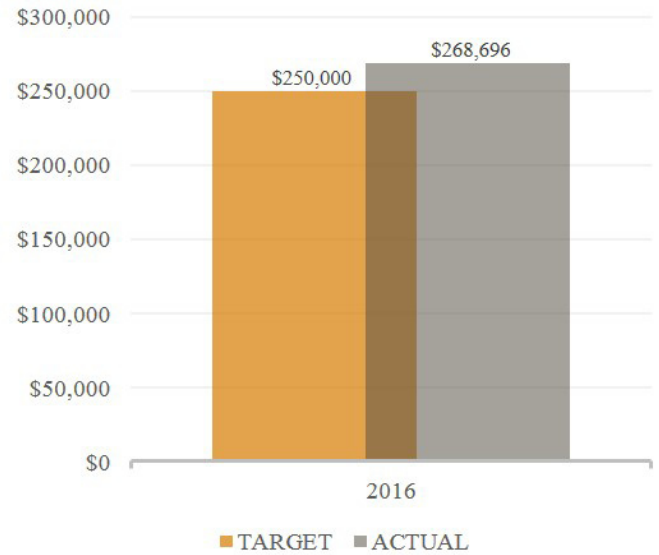

The Downtown Hazleton Alliance for Progress would like to recognize the contributors to our 2016 fund drive. Thanks to the generosity of the community we raised a total of \$268,696 in corporate contributions, private grants, and in-kind donations!

Of the funds raised, \$162,483 was allocated to operational costs that covered staff and administrative expenses, facility expenses associated with the former Security Savings Bank building, and program expenses associated with our Facade Rehabilitation Program, Mural Program, and our First Friday events. The remaining funds are being dedicated to several high priority capital improvement projects identified in our Strategic Plan.

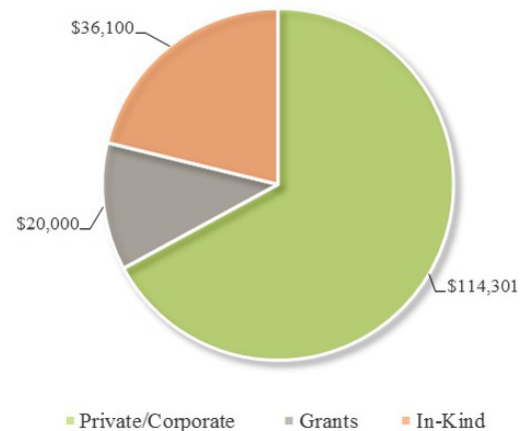

Because of this generous support we were able to pursue state and federal grants to raise additional funds for these capital projects. Several applications were funded thanks to support from PA DCED (Keystone Communities Program and the Neighborhood Assistance Tax Credit Program), the Commonwealth Financing Authority (Greenways Trails and Recreation Program), and the Governor's Office of the Budget (Redevelopment Capital Assistance Program).

These funds will be used by us and our partners to renovate (Phase 1) of the City Arts Center, (31 W. Broad St.); stabilize a blighted property for future use (13 W. Broad St.); rehabilitate the facade of the former Remember When building (21-23 W. Broad St.); proceed with continued (Phase Two) development of the new city park located at 33-47 W. Broad St., and continue renovations of the historic HNB Bank building (101 W. Broad St.) for new office space.
