The Steele Family

Missionaries to the Local Churches of America

Fall 2015

Dear Pastor and Church Family,

The best thing about deputation is that we have had the privilege of meeting so many wonderful brothers and sisters in Christ! Every church without exception has made us feel loved and very welcome. God has blessed us through His people in many ways as we have traveled.

Over the last few months deputation has taken us to churches all around Texas such as Clarksville, San Antonio, Corpus Christi, Fort Worth, Tyler and Kountze. We were also able to attend two conferences, one in Tyler, and another at our home church in Arlington. Through these conferences we met several pastors and were able to schedule meetings for the upcoming year.

Things are slowing down as we head toward the holidays. We will be traveling to Burnet the week of Thanksgiving to conduct a Safe Church training and to preach. We are looking forward to being with Pastor Frazier and his family and are thankful that God is allowing us to be used even while on deputation. When we return from Burnet we will be moving and downsizing again in preparation for one day moving into our trailer, which will be our home in the future.

Each day our burden for the ministry God has called us to grows. With each meeting we see the increased need for our ministry throughout America. Our heart and burden is to get to the field full time as soon as possible. We have several churches and church planters requesting our help.

Please pray for the following requests. Our immediate needs are: 1) more opportunities to present our ministry and that the Holy Spirit will speak to hearts about financial support, 2) a truck that will consistently pull our trailer.

Thank you dear people for your monthly support and prayers. It is always encouraging to know that someone is praying for us!

For His glory,

Todd & Ginger Steele
