Dear Instructors and Future Instructors,

This year Instructor Camp is scheduled for March 1 -March 3, 2019. Not only will the students be able to learn the mandatory requirements for their certification, but they will be able to choose from a variety of classes that they are interested in as well. These bonus or break out sessions are topics that are above and beyond the normal curriculum. Our camp offers a large instructor base so that our student to instructor ratios are incredible. This will allow us to offer a more personalized camp. This camp is for any student that has an ambition to become an instructor, wants to learn and know more about Tae Kwon Do, or simply wants to better themselves and become a life champion. If any of these things are something you want to learn or achieve then you need to be at Instructor Camp.

Camp will begin promptly at 6:15 PM, please make sure you are on time. All meals are provided except Friday night dinner. The price of this 2 day educational camp is only \$299 with pre-registration. All applications in before Feb. 25 will be only \$299, after will be \$324. So please register early! All participants will receive an instructors manual including history and theory of Tae Kwon Do and Korea, Instructor Certificate upon qualification, t-shirt, meals and an education that can not be matched anywhere.

We look forward to having you at this year's camp!
