Commodore's Report

Hi Everybody!

I hope you are all enjoying the great weather. Let's hope it lasts! Good news about the pandemic and masks too. I would bet that the vast majority of our club is now fully vaccinated so we should be able to get mostly back to normal soon.

I am looking forward to seeing you all for the general meeting next Friday at the Masonic Temple. We will be having a pizza party, see Rick's report for more details. As usual, Happy hour starts at 6pm, dinner at 7pm and the meeting right after that. With the new guidance from the CDC, and most of us vaccinated, we may be able to be back to our normal routine. Of course, we will have to follow the rules at the Temple.

The Stagg Cruise was great fun, we had 9 boats, great chili hot dogs and golf. All the guys there had a really good time!

Memorial Day at Kingston is coming up fast. We have 12 boats reserved and everyone is welcome to join by car or the ferry landing is right next to the marina so you can walk on the ferry at Edmonds to join the fun.

Seafood Feast at Des Moines – We have 15 boats signed up; the marina was kind enough to give us 3 more spaces. Also, everyone is more than welcome to come by land to join us. It looks like we are going to be able to run the event almost like normal. We are going to rent the new pavilion that has been built since we were last there. They have a 25-person limit in that so we will need to manage that. I don't see that as being a big problem.

July 11-13th Roche Harbor – San Juan Islands. Restrictions there are still in place so we will not be able to use the party floats as we have before the pandemic. We are planning to run this one like we did last year. Rod and Doreen Ruprecht have volunteered to get food for all of us to barbecue so we will need a headcount for that. We also need to provide a list of boats to the Roche Harbor Marina so please contact me if you are planning to go.

See you all at the Temple Friday!

Vice Commodore's Report

Greeting's members!

I hope everybody's boats are ready for a exciting season filled with sun and fun! Coming up May 21st is our next general meeting, and it will be held at the mother land known as the Masonic Temple. It starts at 6pm and it will be.... A PIZZA PARTY! We will have all types of the Italian delight with salad and desert as well. Cost is \$10 per person, so when Neil and Lee call let them know your looking forward to some Cheese and pepperoni.... oh, wait that's my favorite!

Happy days ahead for a real cruise schedule and it has been a long time coming. Kingston is May 28-31; it is sold out and there are 3 other clubs filling the marina. If you can't make it by boat, come on down and have a beer with us any-ways!

For those of you joining us in Kingston, all meals and drinks are on your own. No planned meals etc.... just kick back and relax and move at your own pace. Golfing you ask? You can contact Tony at 253-334-4738 and see if they are still golf slots available to show off your swing.

Next up is June 4-6 AKA the Seafood Feast at the Des Moines Marina. Cooking of this feast will be on the docks like always and if you would please bring your old bay seasoning and volunteer that would be great! The tents on the docks have been replaced with a beautiful new structure. Currently we are limited to 25 people inside the structure. So, some may have to enjoy your dinner on the dock. All covid protocols apply at the marina, but as we saw on Thursday, it's a moving target. All rules will be posted at the docks.

Remember all those episodes of hoarders you watched? Well now is the time to get rid of the things you don't/won't use, the silent auction is back and will be taking place at the Seafood Feed. Bring your wallet and your creativity as to where you will put your new items!

Stag cruise was a blast! The rubber ducky award goes to... Tony's cell phone! Nine boats attended with two walk ons being Ken Olson and Bob Giddens. Spring Tides won the chili cook off for the 2nd year in a row. Tony was the runner up. Ken Olson won best overall in the golf game.

Doe run was great, what happens on the doe run stays on the Doe Run.

See you all soon on either land or sea.

Vice Commodore
Rick Shelton
