Full Job Description

Job Description

Company Info:

S.M. Hentges & Sons, Inc. is a family owned and operated heavy highway and civil construction company based in Jordan, MN. We take great pride in our ability to construct exceptional projects, on time and within budget. We are committed to teamwork and value motivation to get the job done.

S.M. Hentges is currently seeking a highly skilled, experienced, and motivated individual to fill our SMALL ENGINE MECHANIC position.

Requirements:

- Must be able to diagnose, inspect, repair, assemble, and service small equipment such as pumps, plate compactors, jumping jacks, generators cut off saws, etc. as assigned by the supervisor.
- Must possess a strong work ethic to promote and portray company values. Conduct business with integrity and strive for excellence.
- Must be organized and self-motivated to succeed and improve skills.
- Perform job responsibilities safely in a busy, fast paced environment.
- Responsible for observing and complying with all safety rules.
- Understand the value of teamwork and communication with others as necessary to operate tools and equipment safely and efficiently.

- Read and interpret safety rules, operating and maintenance instructions, and procedure manuals.
- Maintain a clean work area, as well as care for all shop tools, machines, and equipment.
- Accurately complete a daily electronic timecard and other paperwork as required.
- Other tasks as assigned.
- S.M. Hentges & Sons Inc. is an equal opportunity employer and encourages female, minority, veterans, and individuals with disabilities to apply. Applicant will receive consideration for employment regardless of their race, color, creed, religion, national origin, sex, sexual orientation, disability, age, familial status, membership or activity in local human rights commission, marital status, or status with regard to public assistance.

Excellent Benefits. Competitive pay - depending on experience and qualifications.
