## **Section 2 – Policy Statement**

This Code of Conduct is a public declaration of the principles of good conduct and ethics that members of the Council of the Township of James have decided its stakeholders could reasonably expect from the Members of Council to demonstrate in the performance and responsibilities as elected representatives.

Attaining an elected position within the community is a privilege which carries significant responsibilities and obligations. Members of Council are held to a high standard as leaders of the community and they are expected to become well informed on all aspects of municipal governance, administration, planning and operations.

### **Section 3 - Purpose**

This Council Code of Conduct sets standards for the behaviour of Council Members, as well as other Members of the municipality, in carrying out their functions. It has been developed to assist Council and Members to:

- a) Understand the standards of conduct that are expected of them and the law that applies in relation to these standards;
- b) Fulfill their duty to act honestly and exercise reasonable care and diligence;
- c) Act in a way that enhances public confidence in local government; and
- d) Identify and resolve situations which might involve a conflict of interest or a potential misuse of position and authority.

The Council Code of Conduct also establishes guidelines for appropriate conduct to ensure that:

- 1) The decision making process of the Township of James is transparent, accessible and equitable.
- 2) Decisions are made through appropriate channels of government structure.
- 3) Public office is not to be used for personal gain.
- 4) The conduct of Members of Council is of the highest standard.
- 5) There is fairness and respect for the differences and a duty to work together for goodwill and common good of the municipality and its residents.

This Code of Conduct outlines each individual's responsibility, as a Member of the municipality, to uphold these principles and values, and act in the public interest.

### **Section 4 – Roles & Responsibilities**

The role of Council and Staff is traditionally one of the first items to be clarified for a Council, in that Staff shall take direction from the Town Clerk. The Town Clerk shall take direction from and be responsible to Council, but shall not be instructed or directed by or be responsible to any individual member of the Council. The Town Clerk shall consult with Council with respect to any matter of concern to the municipality or to any of its local boards or committees. Clearly defined roles, distinguishing between the concepts of "governance" and "management", are critical to the success of a municipality. It will be reinforced at the outset that Council sets the policy for the community; it does not engage or participate in the daily operations of the municipality.

Council's mandate is to:

- Fairly represent the diversity of community views in developing an overall strategy for the future of the municipality.
- Set objectives and determine strategies to achieve the goals of the municipality.
- Achieve sound financial management, planning and accountability.
- Be aware of and understand statutory obligations imposed on Council as a whole, as well as each individual Member of Council.

#### **4.1 Legislated Responsibilities & Compliance**

The legislated responsibilities, outlined in the Municipal Act, 2001, the laws of Canada and the Province of Ontario, the Municipal Procedure By-law and all policies and by-laws of the Township of James are to be adhered to and carried out by all Members. Failure to do so constitutes an offence under this policy.

#### **4.2 Legislations**

This Council Code of Conduct operates along with and as a supplement to the existing statutes governing the conduct of members. The following provincial legislation governs the conduct of members of Council:

- The Municipal Act
- The Municipal Conflict of Interest Act (MCIA)
- The Municipal Elections Act (MEA)
- The Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)
- The Ontario Human Rights Code (OHRC)
- The Criminal Code of Canada (CCC)
- The Occupational Health and Safety Act (OHSA) – including Bill 168
- The Accessibility for Ontarians with Disabilities Act (AODA)

#### **4.3 Relations with Staff**

Members of Council shall acknowledge and respect the fact that staff work for the Town as a corporate body and are responsible for making recommendations that reflect their professional expertise and corporate objectives, without due influence from any individual members.

In addition, Members of Council shall acknowledge and respect the fact that staff carry out directions of Council as a whole and administer the policies of the Town. A Member of Council shall refrain from using their position to improperly influence members of staff in their duties or functions or to gain an advantage for themselves or others.

Members of Council shall refrain from publicly criticizing individual members of staff in a way that casts aspersions on their professional competence and credibility.

#### **4.4 Interaction with Staff**

The Town has worked diligently at creating a positive working relationship between Council and Staff. This has been successful, largely due to a mutual respect for each other's roles and responsibilities.

- a. Only Council acting as a body, can dictate that staff perform such duties as are necessary to the efficient management of the affairs of the municipality as the Council deems necessary. Individual Council Members do not have authority to direct the Town Clerk, Department Heads, or Staff.
- b. The Role of the Town Clerk and the Department heads is to direct the day to day management of the municipality, and assign duties to the staff placed under their supervision. To encourage the efficient management of the municipality, individual Council Members are requested to be mindful of that fact and are advised of the following:
  - i. Council will respect and adhere to the Policies set by Council, and will under no circumstance take it upon themselves to circumvent or ask staff to circumvent established Policies. Only Council as a body, at a formal meeting, has the authority to amend policies.
  - ii. Council as a body, and as individuals, will liaise primarily with the Town Clerk. This requirement is not designed to interfere with the normal flow of information with those staff members who have been assigned the responsibility of providing information to Council by the Department Heads or Town Clerk.
  - iii. Questions or issues surrounding operational concerns or complaints, excluding the basic issues covered above, should be directed primarily to the Town Clerk or in the absence of the Clerk, to the Department Heads.
  - iv. The municipality does not provide secretarial and/or research services for individual Councillors. Should information be required by individual Council members, a request should be made to the Clerk or who will then determine which staff member is best suited to obtain the data.

#### **4.5 Media Communications**

It is understood that the Reeve as Head of Council, as per section 226(1)(c) of the Municipal Act, is the primary spokesperson, which does not prohibit other Members of Council, therefore the following shall apply:

- a. Members of Council will accurately communicate the decisions of the Township of James Council, even if they disagree with the majority decision of Council, and by doing so affirm the respect for and integrity in the decision-making process of Council. A Member may state that he/she did not support the decision, or voted against the decision.
- b. Members shall refrain from making judgemental or critical comments about other Members of Council or staff, or about the Town Council's processes and decisions.
- c. Members at all times shall refrain from speculating or reflecting upon the motives of other Members of Council or staff, when communicating with the media.
- d. Members of Council will keep all confidential information confidential, until such a time arises that the matter can properly be made public. A breach of confidentiality by Members diminishes public confidence.

## **Section 5 – Rule of Etiquette**

### **5.1 Conduct at Meetings & Quorum**

- 5.1.1 During Council, Committee or any other advisory committee meetings, or working group meetings, Members shall conduct themselves with decorum and in accordance with the Town Procedure By-Law number 04-01. Respect for delegations and for fellow Council Members and staff requires that all Members show courtesy and not detract from the business of Council during presentations and when other members have the floor. The Presiding Officer should never allow Members or delegations at a Councillor Committee meeting to publicly criticize identifiable employees or other individuals. It is the responsibility of the Presiding Officer to ensure that both parliamentary procedure and rules of etiquette are observed by those in attendance at all times.
- 5.1.2 Council will endeavour to conduct and convey Council's business in an open and public manner, so that stakeholders can understand the process, logic and rationale that was used to reach conclusions or decisions, other than for those matters that may be discussed in Closed Session in accordance to Section 239 of the Municipal Act.
- 5.1.3 Quorum is defined as the majority of the total number of the Voting Members of the Council or Committee, or as may be specifically set out in Council approved Terms of Reference for a Committee. Therefore, Council shall only conduct its business in a duly constituted meeting of Council. There shall be no "Off the Record" or Secret Meetings of Council.

Members of Council and/or other Members who are approached by the public with inquiries/ complaints regarding operational matters should direct these to the Town Clerk.

- 8.2 Members of Council will expect the Town Clerk to manage the Municipal Election process and meet all statutory requirements in accordance with the *Municipal Elections Act*. No Member shall disclose the content of any such matter, or the substance of deliberations, of the in-camera meeting unless the Council, Committee, discusses the information at a meeting that is open to the public or releases the information to the public in accordance with applicable law.
