

Fundraiser Re-Imagined at Governor Dodge State Park

This year the Friends of Governor Dodge-Equestrians Fundraiser will have a whole new look!

We've reimaged the traditional Ride and Hike, creating a go-as-you-please flexible scavenger hunt running from September 1-13th. For the safety of participants and volunteers, registration will be by mail or online. Registrants will receive their route map, scavenger hunt

instructions and very special t-shirt by mail. Plan a day at Governor Dodge any time between September 1-13 and hit the trail to scout out scavenger hunt photo ops and search for hidden treasures along the trail!

The 2020 event's custom t-shirts will feature a special design that will make you smile. This special t-shirt will be available for a limited time only, so even if you don't plan to participate in the ride, be sure to register to reserve your shirt. See all the details at www.GovDodgeEquestrians.com.

This year also debuts the Governor Dodge Equestrians first ever Online Auction. Managed by the professionals at Badger State Auction, a wide array of horse and non-horse themed items will be pictured online starting September 1st, with bidding closing September 11th. Artwork, wine, coffee, a Generac portable generator, a beautiful quilt, camping experiences, a Northwoods Wisconsin cabin getaway, gift certificates and many other items will appeal to both horse owners and the general public. To make a personal or business auction donation, please contact Sandy Rogers at 920-723-1710. For auction details see www.GovDodgeEquestrians.com.

As in previous years, the main goal of the FOGD Equestrians is to raise funds to build a badly needed new equestrian campground at beautiful Governor Dodge State Park. All proceeds from the ride and auction will go directly to the Friends' campground fund. Fundraising to date totals over \$286,000. Please help Build for the Future at Governor Dodge by registering for this fun event and by bidding generously on auction items.
