**Serenity Afterschool Program:**

Beginning in the fall of 2017, Serenity Center of Youngstown (SCYOY) will be offering academic and recreational programs for children after school.

The SCYOY Afterschool Program aspires to generate positive outcomes for youth including improved academic performance and classroom behavior.

**We provide the time, place, and assistance to ensure your child's homework is completed. Specially designed homework logs and forms are used to help track your child's homework.**

Our afterschool program can play an important role in supporting academic achievement. The program's afterschool educator will actively assist students in developing organizational, time-management, and study skills to help students complete their homework and encourage their overall academic success.
