Use backside of sheet for additional employers

For driver applicants of commercial motor vehicles that require a Commercial Driver License (CDL) the applicant must disclose their controlled substance and alcohol status per the requirements of 49 CFR part 40.25(j).

As a prospective driver employee, you have the right to review information provided by previous employers. You have the right to have errors in the information corrected by the previous employer(s) and for that previous employer(s) to re-send the corrected information to the prospective employer; the right to have a rebuttal statement attached to the alleged erroneous information, if the previous employer and the driver cannot agree on the accuracy of the information.

Driver employees who have previous Department of Transportation regulated employment history in the preceding three years, and wish to review previous employer provided investigative information, must submit a written request to the prospective employer, which may be done at anytime, including when applying or as late as thirty (30) days after being employed or being notified of denial of employment. The prospective employer must provide this information to the applicant within five (5) business days of receiving the written request. If the prospective employer has not yet received the requested information from the previous employer(s), then the five (5) business day deadlines will begin when the prospective employer receives the requested safety performance history information. If the driver has not arranged to pick up or receive the requested records within thirty (30) days of the prospective employer making them available, the prospective motor carrier may consider the driver to have waived their request to review the records.

DOT PRE-EMPLOYMENT URINALYSIS NOTIFICATION

The US DOT Regulations, 49CFR 382 apply to all CDL driver-applicants of this agency. Driver-applicants must be tested for controlled substances as a pre-condition for employment, pursuant to 49CFR section 382.301.

I understand that a positive test result for controlled substances will result in withdrawal of any offer of employment into a position requiring a CDL. The Medical Review Officer will maintain the results of my test. Negative and positive results will be reported to this agency. If the results are positive, the controlled substance will be identified. The results will not be released to any other parties without my written authorization.

Any State employees who are applying for a position requiring a CDL, who are not currently employed in a position requiring a CDL, may be subject to disciplinary action, up to and including termination, in their current position if they receive a positive test. Please refer to your agency's substance abuse policy.

I consent to the urine sample collection and testing for controlled substances. I understand the above conditions and hereby agree to comply with them.

Motor Vehicle Driver's

Certification of Compliance with Driver License Requirements

MOTOR CARRIER INSTRUCTIONS: The requirements in part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

The requirements in part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

DRIVER REQUIREMENTS: parts 383 and 391 of the Federal Motor Carrier Safety Regulations contain some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows:

- 1) **POSSESS ONLY ONE LICENSE:** You, as a commercial vehicle driver, may not possess more than one motor vehicle operator's license.

If you have more than one license, keep the license from your state of residence and return the additional licenses to the states that issued them. DESTROYING a license does not close the record in the state that issued it; you must notify the states. If a multiple license has been lost, stolen, or destroyed, close your record by notifying the state of issuance that you no longer want to be licensed by that state.

- 2) **NOTIFICATION OF LICENSE SUSPENSION, REVOCATION OR CANCELLATION:** Sections 391.15(b) (2) and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify your employer the NEXT BUSINESS DAY of any revocation or suspension of your driver's license. In addition, Section 383.31 requires that any time you violate a state or local traffic law (other than parking), you must report it within 30 days to: 1) your employing motor carrier, and 2) the state that issued your license (if the violation occurs in a state other than the one which issued your license). The notification to both the employer and state must be in writing.

The following license is the only one I will possess:

Driver's License No. _____ State _____ Exp. Date _____

DRIVER CERTIFICATION: I certify that I have read and understood the above requirements.

However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

REGARDING BACKGROUND REPORTS FROM THE *PSP Online Service*

In connection with your application for employment with _____ (“Prospective Employer”), Prospective Employer, its employees, agents or contractors may obtain one or more reports regarding your driving, and safety inspection history from the Federal Motor Carrier Safety Administration (FMCSA).

When the application for employment is submitted in person, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer will provide you with a copy of the report upon which its decision was based and a written summary of your rights under the Fair Credit Reporting Act before taking any final adverse action. If any final adverse action is taken against you based upon your driving history or safety report, the Prospective Employer will notify you that the action has been taken and that the action was based in part or in whole on this report.

When the application for employment is submitted by mail, telephone, computer, or other similar means, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer must provide you within three business days of taking adverse action oral, written or electronic notification: that adverse action has been taken based in whole or in part on information obtained from FMCSA; the name, address, and the toll free telephone number of FMCSA; that the FMCSA did not make the decision to take the adverse action and is unable to provide you the specific reasons why the adverse action was taken; and that you may, upon providing proper identification, request a free copy of the report and may dispute with the FMCSA the accuracy or completeness of any information or report. If you request a copy of a driver record from the Prospective Employer who procured the report, then, within 3 business days of receiving your request, together with proper identification, the Prospective Employer must send or provide to you a copy of your report and a summary of your rights under the Fair Credit Reporting Act.

Neither the Prospective Employer nor the FMCSA contractor supplying the crash and safety information has the capability to correct any safety data that appears to be incorrect. You may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If you challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data. Your request will be forwarded by the DataQs system to the appropriate State for adjudication.

Any crash or inspection in which you were involved will display on your PSP report. Since the PSP report does not report, or assign, or imply fault, it will include all Commercial Motor Vehicle (CMV) crashes where you were a driver or co-driver and where those crashes were reported to FMCSA, regardless of fault. Similarly, all inspections, with or without violations, appear on the PSP report. State citations associated with Federal Motor Carrier Safety Regulations (FMCSR) violations that have been adjudicated by a court of law will also appear, and remain, on a PSP report.

The Prospective Employer cannot obtain background reports from FMCSA without your authorization.

AUTHORIZATION

If you agree that the Prospective Employer may obtain such background reports, please read the following and sign below:

I authorize _____ (“Prospective Employer”) to access the FMCSA Pre-Employment Screening Program (PSP) system to seek information regarding my commercial driving safety record and information regarding my safety inspection history. I understand and acknowledge that this release of information may assist the Prospective Employer to make a determination regarding my suitability as an employee.

I further understand that neither the Prospective Employer nor the FMCSA contractor supplying the crash and safety information has the capability to correct any safety data that appears to be incorrect. I understand I may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If I challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data. EXEMPT STATUS FACT SHEET

An independent contractor is defined by law as one who engages to perform certain services for another, according to his own manner, method, free from control and direction of his contractor in all matters connected with the performance of the service, except as to the result or product of the work.

Below are statements to help you decide if you are an independent contractor. No one statement is controlling, and your status is based on all the facts in your situation. If a statement describes your situation, then check the box. If at least six of the statements below do not describe your business, you should not sign the attached Affidavit of Exempt Status Under the Workers' Compensation Act.

- 1. The nature of the contract between you and the contractor shows you are independent from the contractor. For example: Is there a written contract where you agree that you are an independent contractor? Are you a corporation or limited liability company? Do you maintain commercial general liability insurance or other business insurance?
- 2. The contractor exercises very little control over your work. For example: By the agreement, can the contractor exercise control on the details of the work or your independence? Do you exercise control over most of the details of the work? Do you create plans or specifications for the job? Do you set your own work hours?
- 3. You are engaged in a distinct occupation or business for others. For example: Do you work for companies or individuals other than the Contractor? Do you work for competitors of the Contractor? Does your business have a logo or uniform?
- 4. Your job is the kind of occupation where the work is usually performed by a specialist without supervision, and not under the direction of the contractor. For example: Is your work supervised by the Contractor?
- 5. Your occupation requires special skills, license, education or training.
- 6. The contractor does not supply the things needed to perform your job such as the tools and the place of work. For example: Do you supply any of the materials or tools for the work? Do you operate a vehicle owned by the contractor? Was the work performed at your business or the contractor's business location or jobsite? Do you wear a uniform supplied by the contractor?
- 7. The length of the job and how long you have worked for the Contractor does not show that you are really an employee. For example: Is this a one-time job, or will you be doing this for the contractor regularly?
- 8. You are paid as a separate contractor, not as an employee. For example: Do you invoice the Contractor for your services? Are you paid by the job? Do you file a federal income tax return for your business? Do you expect to receive an IRS Form 1099 from the Contractor? Does the Contractor pay your expenses?
- 9. Your work is not the regular business of the employer. For example: Is your work customarily done in the Contractor's line of business or as part of the Contractor's daily work? Have you ever been an employee of the Contractor? Do you work with other people hired by the Contractor on the work you perform?
- 10. You do not consider yourself an employee of the contractor. For example: Will the Contractor withhold taxes or monies from your payment? Have you ever been an employee of the Contractor? Have you or your employees ever filed an insurance claim against the Contractor?
- 11. You do not have the right to terminate the relationship without liability. For example: If you quit before the job is finished, is there a penalty?

Based upon these factors, do you believe that you are an independent contractor with exempt status?
