Dear Folks,

Just a few lines to let you know
 cook is still well. Still eating well
 and living a fine life. Nothing serious
 had him through, with all the sickness
 and "just-in-cases" they give him
 you certainly should not worry about me
 still, I don't think we are those "pumpkin
 savings" Jean says Pilote are.

You should see the guys in my
 flight trying to do Peggy Ann's "kabbit
 dance". I showed them and now my ears
 are sore from laughing at their efforts.
 Peg would get a big kick out of it. I
 think it's more fun than trying.
 Good night and God bless you all,
 Paul
