

First Congregational Church Twinsburg

Pew Purchase Form

When this Church was built in 1822, Pews were sold to the congregation to help in the building of the Church. They were able to raise enough money to pay for the entire project. We are celebrating our 200th Anniversary this year and thought that we would try this to help raise funds for the yearlong celebration. Please consider Buying a Pew for \$50/Pew. In turn there will be a engraved plaque, see below, placed on it for a year at which time you can renew it. The plaques will be 3-1/4" tall and 12" wide with black Lettering. Please return filled out forms to the Church Office with your payment. Please be aware, there could be multiple plaques for each pew.
