Mailboxes: Our church mailbox system has been updated! We even have a few specialty slots to make communications within our church easier. (AWANA; Prayer Requests; Womens' Ministry; Directory/One Call; and other to be added in the future.).

Remember that these boxes are open for all to utilize for dropping cards, notes, and more to fellow members. So please be sure to check your boxes each time you are here for important information, cards, letters, and more!

If you haven't had a mailbox assigned to you or don't see someone you know attends, please see Tanya Norris.

Prayer Requests: If you have a prayer request that you would like to have added to the weekly bulletin, please complete the form located on the back bookshelf near the water fountain

and place in the new **Prayer Request mail slot**. This slot will be checked regularly so that your requests can be posted. We ask that once your request has been answered that you please notify us so that we can keep the list up-to-date.

Weekly Bulletins: Did you know that our bulletins are available online? Yep, they sure are! You can get the most recent or past bulletins right on your computer, tablet or smart phone. We'll even deliver you a copy right

to your email address if you want (just sign-up with Tanya). So don't worry if you missed church or forgot to pick one up, cause we have you covered!

Visit our website to download your bulletin:

Cold & Flu Season: Just a friendly reminder that cold and flu season is here and many of us are/or have already been feeling the effects. Regular use of sanitizers helps keep from spreading these germs along with coughing and sneezing into your arm, sleeve or a tissue. Hand sanitizer dispensers are located at

each door just inside the main auditorium, as well at other designated exits.

If you are running a fever, are contagious, or even this you might be, please keep yourself home for the safety of yourself and your fellow members. (We have several members who have weakened immune systems due to medications and/or medical treatments and as such, the slightest of germs can take a typical cold and turn it into something much more serious and life threatening.

So remember, as much as we would love to see you here, we don't want to share in your illness. A good rule to follow is make sure you are 24 hours or more fever free before congregating with others.

Finally, if you are in need of Kleenex and don't see a box handy, please see Bro. Jerry, Sis. Connie, or Tanya.
