Item #1114, 1 Litre · Item #4002, Portion Aid, to fit quart bottle
Item #1101, 4 Litre · Item #4003, Portion Aid, to fit gallon bottle

BENEFITS:

- No Odors
- Long Lasting
- Pleasant Fragrance
- Quart or Gallon Sizes Available
- Hygienic
- Improves IAQ
- Cost Effective

The original Waterless® urinal sealing liquid with a 20+ year track record. It can be added to ANY non-water using urinal. No special cleaners to purchase! All commercially available cleaners may be used to clean the urinal without harming BlueSeal® in the trap. An economical alternative to costly cartridge/liquid packages. Freezing point is -50°C. Zero evaporation at 37°C. Saves winterization costs.

Unlike Any Other!

BlueSeal® Refill

One 3oz. refill will last approx. 1500 uses.
No Need to Refill Daily or to Remove Trap for Refill!

1. Screw the Portion Aid onto a **BlueSeal®** bottle.
2. Squeeze bottle to measure out 90ml of **BlueSeal®** into **Portion Aid**.

3. Pour **BlueSeal®** directly into trap insert or cartridge. Just Add It!

Works on all non-water using urinals!
