

RE: ESA FOUNDATION OPPORTUNITIES

Dear _____,

I am pleased to announce SCHOLARSHIP OPPORTUNITIES – ESA Foundation available for your students.

Do you have a passion for learning and want to further your education? Do you want to improve your chances of employment by earning a college degree? We all know that, in today's economy, scraping together funds to attend college can be a challenge.

On behalf of Epsilon Sigma Alpha Foundation (ESAF), California State Council of ESA is pleased to announce our scholarship/endowment program for 2014-15 academic season is open October 15, 2014 to accepting applications. With over 40 scholarship programs in California that offer an amazing opportunity for financial assistance to students or returning students interested in pursuing their academic goals – the time to act is now!

Prior to October 15, 2014 you can add your name to a reminder list that will automatically email you a notice when the applications are available online in October. You don't want to miss out on an opportunity to help you fund your educational needs.

ESAF is dedicated to the promotion of continuing education and to altruistic activities that make a positive difference in the world community. Voluntary contributions of time and money from ESA members, ESA Foundation members, and friends of the Foundation are the ESA Foundation's sole sources of support. As a nonprofit, tax exempt corporation, the ESA Foundation supports the service and leadership programs and the philanthropic projects of Epsilon Sigma Alpha International. The ESA Foundation's major emphasis is service to others, which is illustrated in its motto: "Serving the World Community...Because We Care".

Interested individuals are encouraged to complete the online application by February 1, 2015. The application is located at <http://www.epsilonsigmaalpha.org/scholarships-and-grants>.
