

**New Consignment Service now
available for all American
vehicles**

Let us take the stress out of selling your vehicle. We take care of absolutely everything; preparation, servicing, MOT, IVA, storage, transportation, advertising, finance, part exchange and warranties.

With over 30 years experience we have built a considerable customer portfolio throughout Europe with our discreet, polite and professional service.

Consignment sale or outright purchase, the choice is yours.

Quite simply the easiest way to sell your car, truck or bike TODAY.

Call Greystone Automotive now to ensure you get the best price possible and to discuss further options
