Upcoming Adult Fiction

Into the Fire - Gregg Hurwitz

Evan Smoak lives by his own code.

Once he was known as Orphan X. Trained as an off-the-books government assassin and spoken about only in whispers, Evan Smoak was one of the most talented – and most feared – men in the Program. But he broke free and reinvented himself as The Nowhere Man, a figure shrouded in mystery, known for helping the truly desperate.

If anyone is truly desperate, it's Max Merriweather.

Max is at the end of his rope. His cousin has been brutally murdered, leaving Max an envelope that contains nothing but a mysterious key. However, someone really wants that key, badly enough that Max – and anyone he turns to – is in deadly danger. What seems like a simple job for The Nowhere Man turns out to be anything but. Behind every threat he takes out, a deadlier one emerges and Evan Smoak must put himself in greater danger than ever before as he heads once more Into The Fire.

Upcoming Adult Non-Fiction

The Bourbon King - Bob Batchelor

Love, murder, political intrigue, mountains of cash, and rivers of bourbon . . . The tale of George Remus is a grand spectacle and a lens into the dark heart of Prohibition. Yes, Congress gave teeth to Prohibition in October 1919, but the law didn't stop George Remus from amassing a fortune that would be worth billions of dollars today. As one Jazz Age journalist put it, "Remus was to bootlegging what Rockefeller was to oil."

Author Bob Batchelor breathes life into the largest bootlegging operation in America—greater than that of Al Capone—and a man considered the best criminal defense lawyer of his era. Remus bought an empire of distilleries on Kentucky's "Bourbon Trail" and used his other profession, as a pharmacist, to profit off legal loopholes. He spent millions bribing officials in the Harding Administration, and he created a roaring lifestyle that epitomized the Jazz Age over which he ruled.

That is, before he came crashing down in one of the most sensational murder cases in American history: a cheating wife, the G-man who seduced her and put Remus in jail, and the plunder of a Bourbon Empire. Remus murdered his wife in cold-blood and then shocked a nation winning his freedom based on a condition he invented—temporary maniacal insanity.

Upcoming Young Adult Fiction

One of Us is Next - Karen M. McManus

A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts.

Until now. This time it's not an app, though - it's a game. *Truth or Dare*.

Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark.

Then comes **Maeve** and she should know better—always choose the dare.

But by the time **Knox** is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection.

Simon's gone, but someone's determined to keep his legacy at Bayview High alive. And this time, there's a whole new set of rules.
