FIELD TRIPS & MORE

Ms. Pam from Central Office reads to the 2nd grade

Ms. Hollie's class attended VIP Day at the 82nd Annual Livingston Parish Fair on October, 9. The students were able to ride the carnival rides, eat delicious fair food, and enjoy a beautiful fall day!

4-H students buddied up with non-4H students to celebrate Halloween.

The Anatomy and Physiology class attended a program given by the FACES lab at LSU. The FACES lab aids law enforcement in Forensic investigations. The students learned the steps involved in correctly identifying remains and reconstruction techniques. The students then challenged one another at the 13th gate escape rooms. Using clues as well as problem solving techniques, they maneuvered through the different rooms to "escape" in less than an hour. One team did come out victorious...ask one of the students for details on which group survived! The students, as always, were so well mannered!! Love our MHS students!!

The 8th grade class enjoyed a field trip to Manship Theater in Baton Rouge to see *The Ugly Duckling* produced by Lightwire Theater. They were first in the parish for LEAP scores in ELA and Social Studies as well as second in math last year. Great job class of 2024!
