

Canoe/Kayak Storage
March 2002

Canoe/kayak storage is available under the lake access walkway. Space is available for up to ten canoes/kayaks. Each space will be marked sequentially, starting from the location closest to the lake.

The storage is available for lease by BEHA members in good standing for a fee of \$20 per season per location. BEHA shall not be responsible for any damage or theft of any canoe/kayak or other personal property stored on BEHA property. Further, BEHA will not provide any locks or other security measures. In addition, each member leasing space shall be responsible for moving the canoe/kayak during high water times and winter storage of the canoe or kayak under the walkway is not allowed.

The BEHA Treasurer administers the spaces, and the assignment of the spaces for 2002 was on a first come first served basis. For the 2003 season and thereafter, the spaces are to be made available first to the lessee's of the previous season, and then made available to the membership.

If you are interested in leasing a space, please contact the BEHA Treasurer.
