

BIHL Weather/Game Cancellation Policy

If games are canceled due to weather or other school related conflicts outside of the BIHL Directors' control, the below policy will be followed at the discretion of the board.

- If Friday games are canceled and Saturday games are played, the board will make its best effort to secure gym space/time to reschedule those Friday games. It is likely those make-up games will occur late on a Saturday afternoon/evening.
- If Friday games are played and Saturday games need to be canceled, due to the potential lack of available gym time, it is unlikely that make-up games will be scheduled. If all Saturday games canceled cannot be rescheduled on a different day/time, those games played on the Friday prior will no longer be considered valid and count towards the season standings.
- If both Friday and Saturday games are canceled, it is unlikely that any games will be rescheduled and therefore will not be counted in the season standings.

Regardless of the number of games played in the season, refunds will not be issued for circumstances outside of our control. We thank you for your understanding.
