

January 26, 2019

Meeting was called to order with the Pledge of Allegiance.

Secretary and Treasurer Reports were approved as read.

MRF Report from Chuck: We are doing pretty well in the MRF, new people in both National and Michigan, 2/3rds never being on any kind of board before, we'll see how they do. EPA and E15 are going to be a big on the agenda all year long, as well as profiling. Any bills that did not pass has to start over from scratch. MRF is low on money and needs new people to join. Chuck has been a member for 25 years.

Chuck and his wife went to Seminar this year. He said it was very informative. Stated that the Motorcycle Safety and Education Awareness Fund is being misappropriated, they are using that money on studies instead; make phone calls to express our needs on this to stop to Jocelyn Benson-517-335-3269.

Legislation report from Doc: Not much going on, committees are just starting. Big turn over in legislators, we need to keep on everyone to keep our causes constant.

Meeting of the Minds is in Bloomington Minnesota this year, September 19-22.

ABATE Region 1 will be at the Iron River Home Show in April, more information to follow.

Thank you very much fellow members for the Member of the Year Award you gave me, very much appreciated, Marsha!!

Next monthly meeting will be February 23 1:00 p.m. cst. Alpha MI Brewing Company, Alpha, Mi.

Meeting adjourned.

Until next month~~~Marsha and Region 1
