

Community in Crisis Family Support Group Re-Opening Guidelines

All participants are required to self-assess prior to participation.

All participants are required to be familiar with safety guidelines

Social Distancing

Use of facemasks required indoors when 6 foot distancing is not capable.

Facemasks available for those who do not have one.

No item sharing (books, devices, etc.)

Maximum room capacity must be adhered to.

Program room – 24 participants

Living room – 6 participants

Meeting/Board room – 4 participants

Consider using the largest space possible to increase 6 foot spacing.

Group conscience to decide what action to take if room capacity is reached.

All walk-in attendees must complete contact information. First name, initial last name and current phone number or email address.

Cleaning and Disinfecting

Each group is responsible for properly disinfecting all meeting spaces, common areas and restrooms utilized for meeting.

Follow any signed cleaning recommendations.

Utilize hand sanitizer and remind participants of hand washing.

Contribution collections (where applicable)

If done physically utilize a centrally located basket

Illness/Suspected or Confirmed COVID-19

Contact information for all attendees, no exceptions. Minimum first name, phone number or email address.

Part of group announcement that if you have the slightest symptoms, do not attend in person.

If someone is exhibiting symptoms they will be asked to leave.

Anyone who had contracted the virus should follow the most current guidance regarding returning to social settings.

Guideline Notification

Physical copies of guidelines will be available at meeting place as well as online.

Attendance at meeting assumes participant agrees to and will abide by all guidelines.

Policies and guidelines will be updated as necessary, subject to mandates issued by the State of New Jersey, the Federal government, Somerset County and Community in Crisis.
