M. INHERENT RISKS AND NATURE OF THE HORSE WARNING. Horseback riding and horse driving is classified as RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY, and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to the ground it will generally be at a distance of from 3 1/2 feet to 5 1/2 feet, and the impact may result in injury to the rider. Horseback riding/driving is the only sport where one much smaller, weaker predator animal, the human, tries to control and become one unit of movement with another much larger, stronger prey animal, the horse, with each having a

limited understanding of the other. If a horse is frightened or provoked, it may divert from its training and act according to its natural survival instincts which may include, but not limited to: stopping short, changing direction or speed at will; shifting its weight from side to side, bucking, rearing, kicking, biting, or running from danger.

N. RIDING HELMET WARNING. BOARDER is hereby warned by GCEC that all horse handlers and riders should purchase and wear properly fitted and secured protective headgear (equestrian riding helmet), and that wearing of such headgear while mounted, riding, dismounting and being around horses, may prevent or reduce severity of some head injuries and may even prevent death happening as a result of a fall or other occurrence. PROTECTIVE EQUESTRIAN RIDING HELMETS REQUIRED WHILE GOING OVER FENCES (ANY OBSTACLE RAISED ABOVE GROUND LEVEL). ANY MINOR CHILD OR MINOR GUEST MUST WEAR A HELMET WHEN HANDLING AND/OR RIDING/DRIVING A HORSE ON THIS PREMISES.

O. DIRECT LOSS TO PERSONAL PROPERTY WARNING. BOARDER is hereby warned that while on GCEC's premises direct loss, damage, theft, or injury to BOARDER's horse(s), tack, equipment, vehicle and trailer is not covered by GCEC'S insurance. The actual BOARDER, having financial interest in such items, must carry his own personal property insurance under a homeowner's, tenant's or other insurance policy, or under a separate policy as in the case of the loss of a horse.

P. CHOICE OF LAW AND JURISDICTION. This Agreement will be governed by and in accordance with the laws of the State of California without giving effect to any choice of law principles that would require the application of the laws of a different jurisdiction. Any disputes under this Agreement may be brought in the state or federal courts located in California, and the parties hereby consent to the personal jurisdiction and venue of these courts.

Q. LIEN AGAINST BOARDED ANIMAL(S). The BOARDER hereby grants to GCEC a possessory lien against the boarded animal(s) GCEC for the value of all unpaid charges resulting from Services rendered hereunder. Should such charges go unpaid GCEC shall be entitled to exercise the right to enforce such lien according to the laws of California. GCEC has the right to sell BOARDERS horse(s) and property to recover any amounts owed to GCEC. Horse(s) will be sold at any price GCEC chooses without regard to actual value.

S. ENTIRE AGREEMENT. This Agreement and the Exhibits constitutes the entire agreement between BOARDER and GCEC with respect to the Services contemplated herein and supersedes all previous negotiations, commitments and writings with regard to such Services. No modifications or amendments hereof will be effective unless made in writing and signed by the parties.
