Wrestlers will be allowed to weigh-in one time only on Friday night. If a wrestler is overweight on Friday, then they will be allowed to weigh-in one time only on Saturday morning. Scales will be opened one-half (1/2) hour prior to the weigh-in times on Friday and Saturday to allow wrestlers to check their weight; after the weigh-ins begin, there will be no checking of weight. Wrestlers must be allowed to use any of the certified scales being used for the competition weigh-ins. There will be no running, or other weight loss measures, allowed inside the wrestling facility.

All wrestlers will be required to weigh-in wearing only a singlet with the straps pulled down; females will be required to wear their singlet with a sports bra, or other suitable undergarment. Each wrestler will be visually checked and if a participant is suspected of having a communicable skin disease, or any other condition that may make participation inadvisable, the wrestler must provide written documentation (which must be on the form supplied by MISSOURI USA WRESTLING and obtained by the participants club), dated and signed by a physician, within 14 days of the tournament, stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to their opponent. They must also have attached a doctor's letterhead or a sheet from the doctor's prescription pad to the skin form.
