

Meet the Judge

Nancy Tankersley

Nancy Tankersley began her career as a portraitist but entered the gallery scene with figurative paintings of people at work and at leisure. Currently as she searches for the unpredictable, Tankersley moves between landscape, figures and still life. Incorporating non-traditional tools, supports and technologies for her paintings she remains faithful to her impressionistic style.

Active in the current plein air movement and a founder of Plein air Easton, she travels worldwide participating in competitions, judging and teaching. In 2018 she was invited to be an instructor and demonstrator at the Plein Air Convention in Santa Fe and released her first instructional video.

In 2016 and 2017 she was invited to exhibit at the prestigious Masters Exhibition at the Salmagundi Club in NYC. Recent honors include Best of Show at Parrsboro, Nova Scotia International Plein Air 2018, Best of Show at the Lighthouse Plein Air Festival 2017 and the Dickinson Award for Best Painting by a Signature Member of the American Impressionist Society 2016 Annual Juried Exhibit.

She is a Signature Member of the American Impressionist Society, the American Society for Marine Art, and the Mid-Atlantic Plein Air Painters and also holds memberships in the Washington Society for Landscape Painters and the Salmagundi Club. Founder and Director of the Easton Studio, a workshops facility begun in Easton in 2010, the artist mentors and teaches workshops and also sponsors workshops by nationally known painters.
