NEW ENGLAND'S GENERAL STORES with Ted Reinstein

Monday, April 23rd @ 6:30pm

The general store, as old as America itself, harkens back to a simpler time and a more innocent and rural nation. It was the vital and inviting heart of a community, deeply woven into America's cultural identity, an integral part of the nation's self-portrait from its earliest days.

In talking about New England's General Stores: Exploring an American Classic, broadcast journalist Ted Reinstein will share the rich and colorful history of this iconic institution, how they figured in the rise of early American commerce, why they began to fade, and why — like another New England icon, the diner — they have begun to come back and even be re-invented and re-imagined for a new era. Told with anecdotes from a variety of local landmark stores across the region, the presentation will be accompanied by award-winning photography.

CHAIR-ISH YOUR LIBRARY III

Coming November 2018

The Lakeville Public Library and The Great Ponds Gallery are asking the community to revive and decorate an old chair and then donate it to our fundraiser scheduled for November 2018.

Applications available online or in the Library soon!
