Thrilling for the science loving child!

The Turkey Science Camp will be held at Saint Joan of Arc School.

Participants will enjoy an exciting day learning about science and having fun.

Turkey Science Camp? What's that?

Great question! The camp is the day before Thanksgiving and will be geared toward science.

What will the kids be learning?

Another great question!! Campers will be learning basic concepts in science. They will be able to apply these concepts in everyday life and hopefully on Thanksgiving Day.

What will we need to bring?

Pack your own lunch and dress for the weather.

Anything Else?

Small science toys will be on sale starting at 25¢.
