

McDonald all over

Eating Coconut

Looking for clams

6 on board-don't wiggle!

Jeepney taxis

Listen close-HE is calling, can you hear HIM calling you?  
February 2014-Philippines

Houses crushed

Our Carlos team

RMO went with Terry Telligman to help the Philippine disaster relief. We went to Seoul, Korea. Then to Manila (1) to IlioIlio, (3) and to La Tonga (2) on Gigante Sur Island. We flew for 27 hours to Ilio Ilio Island. We stayed a day because the low pressure made crossing on water dangerous. We had clinic and church in Carlos Sunday. Monday we took a bus for 4 hours and a boat for 3-4 hours to the Island.

Sharing Jesus

We evangelized during the day at clinic and showed the Jesus film at night. We saw 435 make decisions to follow Jesus. Such big smiles. Having HIS peace is more precious than what is seen. We fixed up the damaged church-new paint, new windows, door, part of roof, etc.

She "likes" Doc Rock

The clinics were full and we saw about 300 as we did island hopping to 5 islands. One of the team said the boat ride was better than any ride at 6 flags he had. We saw 2 boats sink while we did our "hopping" around.

7107 Islands

Fixed up Church

Our "friendly" Pharmacist

### **Bibles**

Wow during our time there 900 bibles we brought were given out, many to those with new decisions to follow Jesus. It was an added expense that was worth it all to get the living Word (John 1:1-5) to many more of HIS creation. Pastor Aaron and Luis were very busy sharing the Word of God.

**Pastor Aaron and Luis**

### **Banana leaf and splint**

We learned much as we saw them use the natural things. A possible fracture wrapped in banana leaves and splinted. Another compound fracture I closed, used a bamboo splint to compress bleeding and then went 12 hours to a hospital for plating.

**Arm Compound Fracture**

The beach was sand before and now is a mass of shells, non-wanted garbage, broken boats and trashed down every-where. Repair is slow but progressing when they can find the funds to go forward. It is hard to lose all-pots and pans, books, bibles, clothes, etc. but they all seem to smile. What we see will change but Christ never changes.

**Houses down all over**

## **RMO Schedule-Changes Frequently**

- February-March-Thailand**
- April-Ghana, Lord willing**
- May-Belize, plans still forming**
- June-Nicaragua**
- September-Ghana**
- November-Nigeria**
- January 2015-Philippines**

Please contact RMO for data on a trip. Explore the RMO website [www.RMO.org](http://www.RMO.org), or call 817-480-5111 if needed.

Please come back but don't bring any more *needles!*
