Step-by-Step Guide For Teachers Online Registration (ORS)

Read Directions Carefully – There are Changes for 2020

This is a guide is designed to help teachers register themselves, their students and accompanying works in the online registration system (ORS):

- Students **must** be age 13 **before** registering in ORS.
- It will be easier and more reliable for you to register your students rather then them doing it on their own.
- You may complete the online registration/submission process in stages and save your work as you go or do it all at once. Unless you're running up against the submission deadline, it is recommended to complete it all at once, after the students have finished their work, so that you have all of the information you need in front of you.
- · You will need to upload either one or multiple images of your student's(s) artwork depending upon the category.
- · Use your most frequently checked e-mail address for communication.
- All artwork **MUST** be available for exhibition if you submit to the Awards. Do not sell, give, or send the artwork to any organization or person if it is being submitted to the Scholastic Art Awards.

It seems daunting at first, but after the first one, it proceeds fairly quickly.

2020 Registration Deadline December 12, 2019 11:59 pm
