RISE OF ISLAMIC EXTREMISM THE PRELUDE OF THE TRIBULATION PERIOD TO COME

The purpose of this chart is to highlight what the Biblically Tribulation Period will look like. It will be a time of decapitations, slaughter, crucifixions and persecution for the Followers of Jesus Christ. There will be 2 Muslim Confederation of nations that will come against the Biblically Tribulation Period that is referred to as the Psalm 83 War. And one during the Tribulation. The 2 major military assaults against the Jews in Israel in particular are the Psalm 83 and Gog-Magog Wars. The world is currently witnessing the built-up to this Tribulation Period as the rise of Islamic Satanic fervor has reached an all time high. The next major chaotic configuration needed to usher in the Luciferian AntiChrist and/or Mahdi of the Muslims is to create a certain degree of world chaos now based on religion that will culminate in World War 3. This chaos is set to be a religious confrontation between Islam against Jews and Christians. A timeline of the sequence of remaining major prophetic events will be given. A traditional notion of what the Tribulation length of years could be will be overlaid for possible time and context. A synopsis of the Book of Revelation will be outlined correlating to the possible Tribulation timeframe of what type of prophetic wrath is to come on the enemies of Jesus Christ and His People. A map of the end result of the Psalm 83 War will show the possible land expansion as alluded to in the Bible.

The Obama Jihadist sympathizing foreign policy of supporting the Muslim Brotherhood and al-Qaida in the recent Muslim uprisings is back-firing. Not many know that the Muslim Brotherhood was fostered by Hitler against the Jews in the 1920s. Obama's support of the Muslim Brotherhood, who was considered until Obama a terrorist organization that murdered innocent civilians, Jews and Christians, will now be receiving billions of US aid, complimentary of US Taxpayers to rebuild their mosques of hate and amass military armory at Israel's southern border now. The very Islamic insurgents such as those in Tunisia and Libva that Obama helped have now murder the very people that helped overthrow their former political establishment. The religion of Islam is one of the most intolerant and vile religions on Earth. It is bent on world domination by force without mercy. Their hate and rage against the Jews and Christians is un-natural, Satanic. This religious euphoric craze can only come directly from the pit of hell itself. Why? It is the rage of Lucifer that knows his time is short and he seeks to destroy -not only the Seed of the woman, Jesus Christ and his followers, but the physical descendants of its bloodline, the Jewish with their re-birthed Nation.

RUSSIA & MUSLIM ALLIANCE

metime during the Tribulation Period when srael will be living in Peace and Security with un-walled villages, an alliance of Muslim nations and Russia will descend upon the hills of Israel to take a spoil. By this time, Israel will have become wealthy with produce, land, resources. Perhaps after the Psalm 83 war in which Israel expanded it boarders and land, it will have stirred up the constant rage and jealousy of its outer Muslim neighbors to attack Israel. To the Muslims, this

non-Muslims is infused in the actual tenants of Muslim's faith so called sacred texts from their god 'Allah' On one hand Islan speaks of a 'merciful' god but slaughter those that refuse other major world religions, Islam is vile. When there is religion without having one head hacked off or having anathema. The fact that Islam denies and is directly apposed to Jesus Christ's divinity -as defined in the New Testament i blasphemous in itself. It is called

Since the serpent in the Garden and Cain murdering Abel, Humanity has battled over whose religious piety is to be accepted by 'God'. Humanity goes either the:

1) Way of Cain: bent on murder, rage and intolerance due to jealousy

Persecuted

Legal

Dead

Compromised

- 2) Way of Abel: approaching worship of YHWH in His prescribed way.
- Over the course of human history, Lucifer has used 'religion' to enslave and massacre GOD's true People weather burning Believers at the stake or banning Bibles. Currently the world religion that still practices such policies is Islam.

Jew and Christians have suffered in the past and would be seen as having gone through much 'Tribulation'. Such times have been when the Christians were

thrown to the lions in Roman coliseums, to the Inquisition, documented massacres. Armenian Genocide, the Holocaust, etc. What is unique about the coming Biblically foretold Tribulation Period to come is that according to Jesus Christ. unless He would not return to cut it short in some fashion, no flesh would be left alive. He describes this period as a time that never was, has been or will be for humanity. It is spelled out in the Book of Revelation. Above is a summary of catastrophic events that will pitch the forces of Lucifer with his hell-bent religion against the true Followers of the Lamb, the SON of GOD, Jesus Christ, He is the LORD of Heaven and Earth with all power given until him, the Judge; the Restorer of Eden.
