The center also has beautiful double swings hung on patios under shade trees to just relax and be quiet or visit with other church friends. In case of hot weather the facility is air conditioned.

We picked this facility because there is something for all ages to do things together or to simply be still and visit with God.

In addition this year we will be having a special Workshop led by Pastor Mark on Saturday from 3:30-5:00PM. There will also be a bonfire and sing-a-long Saturday evening about 8:00PM. We will end our weekend with a Worship service led by Pastor Mark where we will celebrate communion together.
