PLEASE HAVE YOUR PARENT/GUARDIAN READ AND SIGN BELOW.

I understand that my child is applying to be on the Much Is Expected Greenpower International Team. I support this decision, and I understand that my child will have mandatory practices and activities scheduled throughout the year.

PARENT SIGNATURE: _____ **Date:** _____

Write a brief essay entitled, "Why I would like to be a part of the Much Is Expected Greenpower International Team". Use a size 12 font and double space your essay which should be no less than half a page and no more than one page in length. Please include in your discussion a description of your current math and science coursework, any design and build team experience (i.e. robotics, Greenpower, etc.), and how this experience may help you in determining your career pathway. Attach this essay to your application.
