“This money from the scholarship will greatly help me earn my degree from Ohio State.... This will enable me to pursue my dream job.”

-R.P., Oak Harbor

“I am a firm believer in the phrase ‘to whom much is given, much is expected.’ I fully intend to carry out this motto with the scholarship you have awarded to me.”

-C.Z., Port Clinton

“Learning to do, doing to learn, eating to live, living to serve.... is very near to my heart.... I believe that serving others is what has defined me to be the young man that I am today.”

-M.M., Oak Harbor

This graduation season, Ottawa County Community Foundation awarded \$117,468.17 in scholarships to 109 deserving students. Please join us in congratulating these young scholars as they begin/continue their post-secondary educational endeavors! The 2016 scholarship recipient list appears on the enclosed insert. These scholarships were made possible by the generosity and foresight of 46 area individuals/families who have established a scholarship fund through the Foundation. New scholarship funds may be created or existing scholarship funds may be transferred to the Foundation. To discuss scholarship options, contact any board member for more information.

Bryant Experiences Study Abroad

The Ian Huffman Memorial Scholarship was established in 2010 to provide assistance for international experiences to college students. Erin Bryant, a graduate of Oak Harbor High School and currently a senior at Baldwin-Wallace University, received the scholarship this year.

Erin enrolled in an eight-week seminar in Europe to expand her knowledge on different cultures. Her seminar began with classes about art, architecture, and literature. Then the students traveled for six weeks experiencing what they had studied. “I learned about numerous different works of art and saw many forms of architecture,” Erin commented.

“It's hard to put the trip into a few words but it was a great way to achieve my humanities

credits for graduation and I had a blast in doing so. Getting out of the classroom is the best way to experience life. Going on the trip was a once in a lifetime opportunity and I will have these memories forever.”

Erin is a chemistry major and plans to graduate in May 2017 with a bachelor's degree. After graduation she plans to attend graduate school for forensic chemistry.

Scholarships Available to Students

High School seniors experience an exciting yet busy year as they finish their high school careers. The Foundation currently holds 43 different scholarship funds that support graduating seniors in their higher education goals. Now is the time for students to work with their school guidance counselor to identify scholarships for which they would qualify. Each scholarship has specific guidelines established by the donor of the fund when it was created. Most applications are due March 1.

Welcome Linda Huber

Ottawa County Community Foundation welcomes Linda Huber as our new recording secretary. She has been a great addition to the team with her experience as an administrative assistant and paralegal. Most recently she has worked on editing the new book, *History of Ottawa County: The First 175 Years*, published by the Ottawa County Historical Society. We are fortunate to have someone with Linda's experience to assist us with keeping an accurate record of board meetings and proceedings.

Linda and her husband moved to Ottawa County five years ago from Cuyahoga County after building a cottage in Lakeside. "As a newcomer to OCCF, I am honored to work with a group of individuals so highly-skilled, enthusiastic, and passionate in making Ottawa County a better place to live" said Linda.
