Also a Member of the Chicago Calligraphy Collective and Gallery 200 in West Chicago

My study of calligraphy began in 2003 as a way for me to transition into my role as a stay-at-home mom. I became a professional engraver in 2011 and became a Certified Zentangle Teacher (CZT) in 2013.

My company, Designs by Starla, creates unique and creative gifts through calligraphy, engraving and design.

My ink and engraved creations span a broad variety of mediums including glass, fabric, stone, wood and paper, but they all bear the Imprint of my unique vision; to create, educate and inspire.

Starla teaches Calligraphy, Zentangle and Alcohol inks and offers coaching to help you discover the creative genius within.
