The Lancaster County Muzzleloading Rifle Association, also known as the Rock Creek Renegades, was established in 1982 and held shooting events on property near Davey. The organization moved to the current location in 1992 and was incorporated for the purposes of promoting historical appreciation of early America and the firearms of early America, reviving the sport of muzzleloading, educating the public about muzzleloading and providing a location and sponsoring organized activities for muzzleloading and historical reenactments. The club owns 27 acres of property with 25, 50, 75 and 100 yard ranges for shooting traditional, patched round-ball muzzleloading firearms. Muzzleloading shotgun events and knife, hawk and archery competition are also conducted as part of the organization's events and activities.

Primitive camping and clothing are encouraged, however, neither is required for participation in regular club events. Meetings are held on the third Tuesday evening of each month except in June, July and December. Second Sunday of the months of March through October are identified for informal gatherings to shoot, participate in programs or activities at the range when weather permits.

Range Location:
 Hwy 77 South of Lincoln to Hwy 33
 Hwy 33 West 2 miles to Spur 55B
 Spur 55B South 1 mile to community building
 East on first road south of building to range
