

*Planning, Building
& Development Department*
LAKE COUNTY, ILLINOIS

Are you looking for a challenging role within an organization that provides rewarding compensation and an excellent benefit package? If so, Lake County Government is the place for you. Comprised of nearly 3,000 employees, it is our goal to positively serve the residents of Lake County while working with a purpose. We believe our employees should take pride in the work they accomplish while truly respecting a collaborative work environment. Do you have a background in plumbing inspection and plan review for both residential and commercial construction? If so, this position could be very well suited for you:

Position: Plumbing Inspector

Location: Libertyville, IL

Salary: \$28.36 - \$44.40 hourly

Job Summary: Responsible for performing plumbing inspection and plan review work covering a full range of residential and commercial projects. The inspector is responsible for analyzing detailed information, and reporting findings of investigations and inspections. Experience with complex plumbing systems for compliance with the appropriate building codes, applicable regulations, and approved plans and specifications is preferred.

Becoming a Plumbing Inspector would allow you to be involved with property development within Lake County, ranging from new residential homes and remodeling to non-residential projects. As a crucial member of the building inspection team, your day will consist of working with your department peers and county residents in their development projects, in addition to working with our municipal partner communities through our intergovernmental agreements. You will have endless opportunities to impact and make a difference within Lake County. Being able to build working relationships with employees, 30 countywide departments and the public, this evolving role is certain to keep you engaged and continuously learning.

In order to be successful in this position you should have 4-6 years of experience and/or ICC certifications. A valid plumbing license from the State of Illinois is required. Individuals must have a working knowledge of the State of Illinois Plumbing Code; demonstrate a strong proficiency in the use of technology; possess the ability to effectively problem solve and work both individually and in a team atmosphere.

We offer a competitive salary and a comprehensive training program. Visit our [Prospective Employee](#) page to get additional information on why you should work for Lake County!
