

## VOLUNTEER OPPORTUNITIES

Pinnacle Peak continues to evolve and grow with its academic and fun programs. The staff and teachers do an amazing job in the classroom with our children each and every day. As parents we can enhance and support that by volunteering with the PTO to create the best school experience possible. There are many volunteer opportunities available to suit your interests, skill set or time availability. Just mark the box next to the areas you are interested in, fill in your contact information and send this form to school in your child's backpack. A PTO representative will contact you.

*PPES and the PTO thank you in advance for your help!  
Together we can support our Eagles as they soar to their highest potential!!*
