

## Goat Peak Ranch Water Trailer Checkout Agreement

The water trailer is only to be used inside the plat of Goat Peak Ranch by owners in good standing (all dues paid). The trailer will be available for owner use starting in late April until June 30 or the beginning of the burn ban, whichever comes first. After June 30 or start of burn it will be in position and ready to respond for emergencies within Goat Peak Ranch.

To schedule a time slot, review, sign and return this agreement to [gproaboard@gmail.com](mailto:gproaboard@gmail.com) We will assign your requested time slot or if not available we will contact you to set up an alternate time.

The undersigned agrees to the following:

- 1. The trailer must be returned with a full water tank and gas tank. Please ensure that the gas you put in the tank is fresh.**
- 2. The undersigned is expected to use care and is responsible for any damage to all components of the trailer. If any repairs are needed the last user will be billed by the HOA for repairs.**
- 3. The trailer may be checked out for 1,2, or 3 days. Pick up time is 9AM. Please return the trailer as soon as you are done but no later than 9AM on the last day of your check out period.**

**The operator assumes all risk in the operation of the Goat Peak Ranch water trailer. The HOA is not responsible and will not be held liable for any accidents or injury sustained while operating the water trailer or any fires that occur on the owners property.**

**The water trailer is meant to help with the process of controlling fire spread from an owners burn or in an emergency for a small spot fire before the fire department arrive.**

**The water trailer is not intended for the purpose of fire suppression on any structure.**
