

Directions:

1. Consider the different ways in which people help their communities.
2. Categorize the different types of community service and write your categories in the small circles.
3. Then, give an example (from class study or your own personal knowledge) of that type of community service.

Specific Example:

Name:

Period:

Specific Example:

**COMMUNITY
SERVICE**

Specific Example:

Specific Example:

Specific Example:

Process: In your opinion, which type of community service is "most beneficial"? Which type of community service makes the "biggest difference"? Explain.
