

Lynette Snider

Lynette is a team player! She excels at carrying out all supports outlined with each person's service plans and has a great relationship with the people she works with! Lynette's biggest focus is helping the women she works with improve their lives and their quality of life! Lynette goes above and beyond and picks up shifts when needed; she assists her co-workers in learning about the women and their supports. Lynette is looked to as a leader by her supervisor and her co-workers and assists in the development of other DSPs. Lynette works to help her supervisor on a daily basis and completes all other aspects of her job in a timely manner!
