

6/16/20

Ihanktonwan Community College

Covid-19 Update

The college will be closed until July 6, 2020, due to the recent exposure of the coronavirus at the college center. At this time, there are no reports of ICC staff testing positive for the virus. The building will undergo deep cleaning by the YST, which we hope to complete before July 6, 2020. After this we anticipate staff to return to at minimum a part time work schedule. ICC continues to follow the lead of the YST and recommendations of health officials.

- There will be no 2020 summer courses offered this year with the exception of those few needing courses for graduation by the end of this summer.
- Graduation will be postponed until further notice. We hope to have graduation by the end of July if possible.
- There will be no sessions/classes offered this summer 2020. Students having any special needs must meet with the advisor.
- ICC will be canceling or postponing all college sponsored events (on campus and off campus) until August 7, 2020.
