

"Running for the Fight"

- 90 Marathons In 90 Days -

[Info@BoxRun.org](mailto:Info@BoxRun.org)

I have seen first hand what children have to go through when fighting cancer. The strength that these children give back to their parents, families & friends during the most difficult time in their young lives is just amazing to me. I am truly inspired by the bravery and courage that I continue to see in too many children who are fighting this terrible disease that is cancer.

I would love to have a world where all children can live a life free of cancer. That is why I run and why I am asking you to help BoxRun to keep..."running for the fight"!!!!

Sincerely, Mike Strange
