I acknowledge that if my child is nominated for potential selection to an East Valley Baseball (EVB) All Star team, I will accept the nomination in accordance w/ EVB's All Star Policy. By signing below, I accept the nomination and agree to comply with each provision of the policy and specifically acknowledge the following:

1. Invitations to participate in All Stars are earned each Spring season based on performance, sportsmanship, teamwork and commitment. There are NO "year to year" entitlements to participate in All Stars extended to anyone.
2. Players placed on any All Star team may NOT participate, in any way, with any other baseball team, league or club until their EVB All Star commitment is fulfilled. Failure to comply will result in the player's omission from all-star play in subsequent years. Any player having a prior commitment MUST submit in writing and get League approval prior to All Star selection and participation on any level of EVB All Star play.
3. Nominees MUST provide the league along w/ the "player nomination form" a copy of player's birth certificate, player photo and an original proof of residency as of March 2017. (DWP bills with address of service (your residence) or mailed school report cards work. Phone and cable bills are NOT acceptable). All selected players will be required to fill out a PONY waiver prior to participation in all star play.
4. Nominees must meet all league and PONY Baseball All Star eligibility requirements. Nominees MUST be available for ALL Pre-All Star and PONY Baseball sanctioned tournaments, games and practices, which includes from closing day of the Spring season through July 31st, or until the team has been eliminated from PONY Baseball sanctioned play. Players who are NOT fully available during that time should not accept the nomination unless they have received prior approval by the League.
5. Full payment of approved All Star fees (\$135.00 for Spring 2016) is solely intended to cover all tournament costs (PONY entry fee of \$250 per team, pre-sanctioned tournament entry fee of \$450 per team, "gate" fee - first 2 PONY sanctioned tournaments of \$350 per tournament & all-star hat and jersey, must be included with this acceptance form. Payments for nominated players who are NOT placed on an All Star team will be returned to the players' parents within seven days of the formation of the team(s). Scholarships are NOT available for any post season All Star play. Your EVB Spring League fees MUST be paid in full to be considered for All Star play. ** Note: Subsequent "gate fees" of \$350 per team after round 2 is the sole responsibility of each team as they progress through all-star play.
6. Once a player has been selected for an All Star team, the player may not play on another League All Star team once their team has been eliminated, or decide to play on another League All Star team they were not selected to. Players choosing not to participate on the All Star team they were selected to will forfeit that year's All Star eligibility and that year's All Star fee.
7. The failure of any All Star player to fully participate as set forth in this policy shall make that individual ineligible for All Star player nomination in the subsequent year's All Star season/s. In very limited circumstances, upon written request from the player's parent(s), the league President, in consultation w/ the All Star Commissioner and/or coach, may excuse a player's stated obligations.
8. I attest that my child has not signed up, tried out or participated in any other PONY League during the current Spring season.
