Parent and Child Road Safety

Dear Parent/Carer,

Thurrock Council's Road Safety team shall be visiting your school to undertake a Parent and Child Road Safety walk on **Tuesday 7th May 2019**. Please come to the classroom at 9.00am where the Road Safety team will take you and your child out for a short walk and talk lasting approximately one hour. You are welcome to bring any younger siblings.

Road Safety Education is an integral part of your child's development and the team hopes to help and advise you with this. The talk is aimed at parents and carers rather than the children and for this reason **only pupils whose parents attend will go on the walk** – grandparents and other relatives are welcome if you cannot attend.

Please ensure that both you and your child are appropriately dressed for the season, bearing in mind how cold the winter months can get.

Headteacher
