## PRESIDENT'S MESSAGE —Waskah Whelan

Fox Business News  
July 26, 2021

San Diego along with many other Democrat-run cities has cut Police protection for citizens in their zeal to Defund-the-Police. The San Diego City Police budget was cut by Todd Gloria and the San Diego City Council, but out of the budget money remaining, these elected officials dipped their fingers in and paid for personal private police protection for themselves! This mayor and his Council members are being protected with taxpayer money while the rest of the city carries on with limited police protection.

Decreased numbers of officers on duty means fewer officers patrolling larger and larger areas of the city. Their chances of being attacked and seriously injured are increased by the Mayor and City Council's actions to protect themselves instead of citizens.

Mayor Todd Gloria is spending \$1 million to *oversee* the police. Who is overseeing him? Maybe he should have told us he was afraid to go to work when he ran for office. He is afraid of being a victim of crime? But somehow it's OK to let citizens be afraid and fend for themselves?

As mayor, Todd Gloria assured us he would always advocate for neighborhoods. **I would think that would include not cutting neighborhood police protection while using taxpayer money to protect himself. Let these elected officials hear from you!**

<b>Mayor's Office: Todd Gloria</b>	<b>619-236-6330</b>
District 1 - Councilmember Joe LaCava	<b>619-236-6611</b>
District 2 - Councilmember Jennifer Campbell	<b>619-236-6622</b>
District 3 - Councilmember Stephen Whitburn	<b>619-236-6633</b>
District 4 - Councilmember Monica Montgomery	<b>619-236-6644</b>
District 5 - Councilmember Marni Von Wilpert	<b>619-236-6655</b>
District 6 - Councilmember Chris Cate	<b>619-236-6616</b>
District 7 - Councilmember Raul Campillo	<b>619-236-6677</b>
District 8 - Councilmember Vivian Moreno	<b>619-236-6688</b>
District 9 - Councilmember Sean Elo-Rivera	<b>619-236-6699</b>

**Anyone can call these officials no matter where you live...**

### Questions:

**Did you vote to cut the police? Did you vote to protect yourself at taxpayer expense? Why are you ignoring that citizens need protection? I'm very displeased and will never vote for you again. I'm telling everyone I know about this. You may not get attacked, but your family and neighbors are vulnerable because you have cut the size of the police force.**

I'd like to help by:

- Working on mailing project
- Volunteering at the office
- Volunteering at events in my area
- Making phone calls
- Sending text messages

## Here's how Gavin Newsom's extreme agenda hurts Californians!

- **Draconian Lockdowns:** Newsom destroyed the livelihoods of millions of California families through senseless lockdowns without regard for any cost-benefit or evidence-based analysis.
- **Hypocrisy:** As Newsom demanded full compliance with his Covid lockdowns, he blatantly ignored those same rules himself. As Newsom shut public schools for millions of California kids, his own children got to attend private school.
- **Massive Tax Hikes:** Newsom supports unfair and costly tax hikes on families and businesses – including calling for the repeal of Prop 13, backing sales tax hikes, endorsing income tax hikes, supporting the gas and car tax hikes, etc.
- **Destroying Jobs:** Newsom has imposed draconian and costly regulations that have destroyed jobs and is doing more damage by supporting the flawed AB-5 ban on independent contractors.
- **Closed Schools:** Newsom destroyed the education of our children by siding with the unions. Kids lost a full year of learning and teen suicides spiked!
- **Illegal Immigration:** Newsom supports open borders, allows illegal immigrant violent criminals to be protected from deportation, and has backed taxpayer-funded welfare benefits for non-citizens.
- **Rampant Homelessness:** Newsom's approach to homelessness has failed miserably.
- **Coddle-the-Criminal:** Newsom has gutted tools for law enforcement to keep our neighborhoods safe by siding with criminals. Newsom even backs less restrictions on sex offenders who target minor children.
- ... the list of Newsom's failures goes on and on and on ....

Hope to see you all at our August meeting and our first mini Road Show. I'm hoping to do mini shows throughout the year. The August show is all about accessories...purses, belts, scarves, hats, jewelry etc. At our October Fashion Show the theme will be holiday items and in November will concentrate on home goods and decorations.

## CHAPLAIN—Ginny Wisley

*“I will give thanks to Thee, for I am fearfully & wonderfully made,  
Wonderful are Thy works & my soul knows it very well.”  
Psalm 139:14*

Today at church I heard a statement that resonated with me “our doing comes from being, our being comes from what we love”.

We love this country, state, county, and the cities within it. We love working for the betterment of them all. That work defines us as Republican Women, as women of vision, as women of moral virtue, as women of knowledge. We believe in those fights for the rights of the Constitution.

That is our being! That is our love! I wonder how different we would be if we didn't have the passion, the love for the definition of the Republican Party and for what it stands for.

Blessings!
