

CT Regional Scholastic Art Awards 2021

**Step-by-Step Guide
For Teachers
Online Registration (ORS)**

Read Directions Carefully – There are Changes for 2021

This is a guide is designed to help teachers register themselves, their students and accompanying works in the online registration system (ORS):

- Students **must** be age 13 **before** registering in ORS.
- **It will be easier and more reliable for you to register your students rather than them doing it on their own.**
- You may complete the online registration/submission process in stages and save your work as you go or do it all at once. - Unless you're running up against the submission deadline, it is recommended to complete it all at once, after the students have finished their work, so that you have all of the information you need in front of you.
- You will need to upload either one or multiple images of your student's(s) artwork depending upon the category.
- Use your most frequently checked e-mail address for communication.
- ALL EVENTS WILL BE VIRTUAL

It seems daunting at first, but after the first one, it proceeds fairly quickly.

2021 Registration Deadline December 17, 2020 11:59 pm

- If the student has not logged in this year (ie. "Inactive"), you can obtain administrator rights by clicking "Administer Account." You will be required to provide the email address that the student used to log in as verification.
- If the student has logged into ORS or created their account on their own this year, they are considered to be "Active". In this case, click the "Send Request" button to ask them to add you as an administrator to their account. Make sure to let your student know that you have made this request. The student will need to log into their account and accept your request.
- You can also search for your student by Name and Email.
- If you cannot find your student or it is a new student you can create a new student account. If you are making a new account for a student because they have an inactive account and you don't have their email, you need to use a different student email than they used in the past because ORS uses email as the account identifier.
- Click on “Create New Student Account” button.

Student/Artwork Registration: *Registering a New Student*

On the “Create a New Student Account”, you will need to enter the following information about the student, so be prepared:

The screenshot shows the 'Create a New Student Account' form. On the left is a sidebar with navigation links: ACCOUNT (Dashboard, Your Information, Logout), YOUR REGIONS (Connecticut Art Region, Connecticut Writing Region), MANAGE (Students, Educators, Your Submissions, Bulk Payment), and TOOLS (Reports). The main form has tabs for 'Your Students' and 'Add Students'. Under 'Add Students', there is a 'Create a New Student Account' button. Below this is the 'Student Information' section with fields for FIRST NAME, LAST NAME, STREET ADDRESS, COUNTRY (United States), CITY, PHONE NUMBER, DATE OF BIRTH, APT #, STATE, ZIP CODE, CELL PHONE, and GRADE. There is a 'Participation Terms' section with a dropdown for 'I'M PLANNING TO SUBMIT' and a 'PREFERRED EMAIL' field. Below this is the 'School' section with a 'HOME SCHOOL' checkbox and fields for 'SCHOOL NAME' (Wethersfield High School) and 'OTHER EDUCATIONAL PROGRAM NAME' (NOT SELECTED). There are green buttons for 'Change School' and 'Change Other Educational Program'. The 'Student Email & Password' section has fields for EMAIL, PASSWORD, CONFIRM EMAIL, and CONFIRM PASSWORD. The 'Parent/Guardian Information' section has fields for FIRST NAME, LAST NAME, EMAIL, and PHONE. A green 'SUBMIT' button is at the bottom. Two black arrows point from the list of required information to the 'I'M PLANNING TO SUBMIT' dropdown and the 'SCHOOL' section.

- Student's Name
- Student's Address
- Student's Phone
- Student's Date of Birth (Students must be 13 years old)
- Student's Grade Level
- Art or Writing
- Student's School
- Student OEP name if art was created outside of school program and with another teacher.

- Parent's Name
- Parent's Email
- Hit Submit. Now you can add work for this student.

Note: Students cannot share the same email. If the student doesn't have an email, try to obtain the parent's email address and use that instead or see if I can have the student obtain an email address from one of several free providers (e.g. gmail, hotmail, etc.). If that isn't possible, as a last resort, make one up so the info will be accepted. **Whenever possible try to use accurate information.** ORS uses email as the account identification.

If the student also is submitting work created at an Other Educational Program – The OEP name must be included when creating the student profile or they will not be able to choose it when entering their submission

Special Achievement Awards

Receive Additional Recognition and Scholarships for Your Work!

Dedicated and generous sponsors of the Scholastic Art & Writing Awards make it possible for us to provide additional recognition and scholarships for outstanding works that meet a specific set of criteria.

For the New York Life Award, Civic Expression Award, and One Earth Award, you can nominate your work for consideration below by providing a brief statement on how your work addresses the selected theme. For the Alliance/ACT-SO Journey Award, please indicate your local ACT-SO branch. All art and writing categories are eligible for these awards.

Please read the criteria carefully and address the questions provided. Personal statements will be taken into consideration when making final scholarship selections.

1. New York Life Award

Does your work address your personal loss through the death of someone close to you?

Apply for the National New York Life Award (<https://www.artandwriting.org/scholarships/specialawards/new-york-life-award/>), which provides six students whose works explore personal grief, loss, and bereavement with **\$1,000** scholarships. Additional state scholarships of **\$500** are available to two students from each of the following states: **Michigan, Mississippi, Montana, New Mexico, and New Jersey**.

Theme: Bereavement is a state that occurs after a loved one dies. Grief is the feeling and reaction associated with the loss. Sharing your story can provide you with an outlet for expression and can support others who are grieving.

☐ YES, PLEASE CONSIDER MY WORK FOR THE 2020 NEW YORK LIFE AWARD.

2. Civic Expression Award

Does your work express a vision of the society you are working to build?

Apply for the Civic Expression Award (<https://www.artandwriting.org/scholarships/specialawards/civic-expression-award/>), which provides six students whose works best promote responsible participation in civic life with **\$1,000** scholarships.

Theme: Civic engagement requires community members to be informed about their rights and responsibilities, to appreciate the history and fundamental processes of American democracy, to recognize and be respectful of different views, and to seek to solve problems on behalf of the public good. Your voice can shape public understanding of political or social issues, inspiring others to act and build toward a better future together.

☐ YES, PLEASE CONSIDER MY WORK FOR THE 2020 CIVIC EXPRESSION AWARD.

3. One Earth Award

Does your work address issues of climate change?

Apply for the National One Earth Award (<https://www.artandwriting.org/scholarships/special-achievement-awards/one-earth-award/>), which provides four students whose creative works address the pressing issue of human-caused climate change with **\$1,000** scholarships. Additional state scholarships of **\$500** are available to two students from each of the following states: **Georgia, North Carolina, South Carolina, Virginia**.

Theme: Climate change refers to large shifts in the trends of global temperature, precipitation, wind patterns, and other measures of weather that happen over an extended period of time – meaning several decades or longer. It has many impacts on both humans and the environment. Some of these impacts include species extinction, sea-level rise, an increase in hurricanes and other severe weather events, drought, changes in food supply, and the resulting loss of natural areas from these many changes.

Your work can advance our thoughts about climate change and our understanding of solutions. It can also improve awareness of individual actions that we can take to slow the current pace of climate change and reduce the harm that human activity has on our environment. Please note that your work needs to address climate change specifically. If your work addresses a general environmental issue, like plastic pollution in the ocean or recycling, make sure that your work addresses how climate change affects this long-standing issue.

☐ YES, PLEASE CONSIDER MY WORK FOR THE 2020 ONE EARTH AWARD.

4. Alliance/ACT-SO Journey Award

Do you participate in the NAACP's ACT-SO program?

Apply for the Alliance/ACT-SO Journey Award (<https://www.artandwriting.org/scholarships/special-achievement-awards/the-alliance-act-so-journey-award/>), in partnership with the NAACP's African American, Cultural, Technological and Scientific Olympics (ACT-SO) (<https://www.naacp.org/act-so/>), which provides travel stipends for up to ten ACT-SO scholars, who also receive Scholastic Art & Writing Awards' National Medals, to attend the National Conference at Carnegie Hall.

ACT-SO is a yearlong achievement program designed to recruit, stimulate, and encourage high academic and cultural achievement among African-American high school students. Interested in joining your local ACT-SO chapter? Visit naacp.org/act-so/.

All students of African descent who actively participate in the NAACP's ACT-SO Program can apply. Students will be verified as active ACT-SO Scholars by the local ACT-SO chairperson or their city to confirm eligibility.

☐ YES, PLEASE CONSIDER MY WORK FOR THE 2020 ALLIANCE/ACT-SO JOURNEY AWARD.
