Dear ones,

Thank you. A million times. Thank you...

For your tireless efforts with lesson planning.
 For your beautiful classrooms.
 For asking what ELSE you could do to help today, and always.
 For your smiling faces and positive attitudes and encouraging words.
 For your genuine love of your students, already apparent.

For an incredible Back-to-School night.
 For an inspiring pre-planning session.
 For the Best. Year. Ever.

The only way I can think to repay you is with time, as you have so selflessly given so much of yours. I am adding 4 hours of paid personal time for each employee. It's only a small token of my appreciation, and it's not enough, but I truly hope you use it and feel that you are the valued, loved member of our community that you are.

A few small notes about tomorrow:

- 1) We'll bring walkie talkies to the Fellowship Hall for you to pick up tomorrow morning at 8am. Please make note if your walkie talkie doesn't work well and/or dies early, etc. We have purchased more...we need to know which ones to trash after tomorrow, based on your feedback at 3:15 when you report back to the Fellowship Hall to turn it back in at the end of the day.
- 2) Send an SOS via text or email or walkie talkie if you need support. We know it will be crazy with no enrichments, etc. We want to give you a break or help if necessary. Missy will be on call, as will we office ladies.
- 3) Salad bar lunch will be provided for all employees tomorrow (Wednesday).

A few small notes about this week (so far):

- 1) Please wear your name tag this week (and next if you're an enrichment teacher). This will help all the newbies get to know names.
- 2) THERE IS NO SOUL SISTERS MEETING ON THURSDAY!!! The first miracle of the school year...all will be normal for lunch on Thursday. (Whew!)

Please know how much I am in awe of you and the wonderful community YOU make for all of us and our students.
 Cheers to a fabulous year ahead!

I'll bring name tags up to the FH Hall in the morning & you can keep in your classrooms. Love the note about walkie talkies...hard to tell which ones we need to trash so love testing them for a day!

And finally.... I LOVE OUR SCHOOL SO MUCH. I said that over & over tonight.

What a gift with the extra hours....thank you! Truly!

Xoxo- Jenn

If I'm honest, today was an emotional one! I shed a few tears on the way home tonight...overwhelmed with I don't know what!

Thank you for this amazing opportunity to be part of such an incredible community. It's truly like nothing I've ever experienced before.

I deeply appreciate the extra paid time and you have my word that I'll continue to give the most that I can to meet the needs and expectations of the students in my classroom.

See you in the am :)
