### **Party Policy**

Two types of parties may be held at the Lochearn Community Club. Some rules and charges vary depending on the type of party.

**Type A**: The party is requested and hosted by a Club member and will involve no more than 15 attendees.

**Type B**: The party is requested and hosted by a Club member and will involve 16 or more attendees.

#### The following rules apply to ALL parties, regardless of type:

**All requests must be submitted in writing.** Type A parties, with fewer than 15 guests, may be approved by the Pool Manager. The Board will be notified of all Type A parties, but prior approval is not needed unless exceptions to any of the rules are being requested.

For larger parties, type B, requests will be reviewed at Board Meetings, held bi-weekly during the summer months. (Check calendar for dates) Be sure to submit the application early enough to all for Board review and communication of a decision.

Once the party is approved, you will receive a confirmation e-mail or letter.

Guest passes may not be used for parties.

A deposit of 50% is due at time of approval in order to secure your date. This will be based on the number of guests submitted on the party request form. This deposit is nonrefundable. The remaining balance is due before the START of your event. Extra guests will incur an additional fee to be paid at end of the party.

The office staff is not responsible for collecting individual guest fees, only deposit and balance.

All party guests, member or nonmember, must sign in on the party guest sheet located at the front office. Party hosts are asked to help facilitate this process.

All parties approved by the Board will be for a maximum of 3 hours. We allow 30 minutes prior to the party for "set up" as well as 30 minutes after the party for "clean up". If "clean up" extends past the Club's normal closing hours an extended time charge will be applied to the final bill.

The sponsoring member must be present with the group for the entire duration of the event.

Adequate adult supervision is **required** for children and teenage groups.

No glass containers are permitted on pool grounds.
