

BEFORE AND AFTER CLASS:

We are not responsible for any student before or after class. Do not drop your child off more than 15 minutes before their class time.

Instruct them to wait upstairs. If they cannot do this, do not drop them off early and/or come in and wait for class with them.

Parents of Preschool students should not leave the building during class. Many of these students need assistance in the restroom and Instructors cannot leave the class to help them.

Be on time to pick students up at the end of their class.

Do not leave siblings, friends, etc. unattended by an adult at the gym at any time. We cannot be responsible for them.

Instruct your child to stay inside the building at all times. Do not ask or allow them to wait outside for you.
